

18 October 1978

Proposed schedule for ORD Career Service Panel (and Special Panel)-Meetings for the next promotion cycle. The schedule is based on the DDS&T annual promotion cycle promulgated in DDS&T  20 September 1978. The Uniform Promotion and Fitness Report Schedule requires that all employees be considered for promotion at least annually; it also provides an optional, second date for promotion consideration. This proposed schedule contains both the prime date and the alternate date.
